

Grace Cares — Homepage Visual Directions

Direction 1 — Warm & Human (BUILT)

The direction we've built. Calm bone background, forest-green headings, lime used only for the Donate action. Big 18px+ type, real-photo placeholders, MPB-style clear search in the hero. Two routes (Buy / Donate) weighted to buying.

- Bone #F7F6F2 canvas, generous whitespace
- Forest green #006738 headings & primary buttons
- Lime #85E845 reserved for one action (Donate)
- Photo-led category tiles, no icons

Primary #006738

Accent #85E845

Canvas #F7F6F2

Direction 2 — Editorial & Bold

A more editorial feel: a full-width green masthead band, oversized headline, and a horizontal 'just added this week' stock strip. Confident and magazine-like while staying calm and legible.

- Green masthead band with reversed white type
- Oversized 48px display headline
- Freshness line: 'X items listed this week'
- Quiet Google rating strip under the hero

Direction 3 — Soft & Reassuring

The gentlest option: rounded cards, extra spacing, softer neutrals, and a single centred search with two large side-by-side route cards. Designed to feel effortless for less confident visitors.

- Extra-soft neutrals and larger radii
- Single prominent search, two big route cards
- Impact figures as calm number blocks
- Minimal chrome, one action per section
